

The Emmie-Rae Barker 10p Challenge Appeal

Every 10p Makes A Difference!!

Please show your support

Emmie Rae Barker was born with six heart conditions and has spent her entire short life between NICU unit at NNUH & Great Ormond St. It is our aim to raise as much money as possible for these wonderful hospitals and enable them to purchase specialist equipment to offer the gift of life to other children who are gravely ill.

The Challenge

To collect 63,360 x 10p coins which, when laid side by side, would extend to one mile in length. This would raise an amazing total of £6,336 to be split between the two charities Target Completion Date ~ **Valentines Day February 14th 2015**

This challenge was the notion of Billy Monsey (age 11) who is Emmies uncle. He was inspired by the care & compassion of both hospitals and wanted to do something to help.

We are asking people at home, clubs, offices, pubs etc to collect as many 10p coins for this cause as possible and we will collect them nearer the time. Please print this poster and use it next to your collection point. Thank you all for your support in advance.
